HIGHLIGHTS

BENSENVILLE COMMUNITY HIGH SCHOOL
BENSENVILLE, ILLINOIS

Alexandra Williams, Editor-in-Chief

FOREWORD

The bison, the emblem of B.C.H.S., is also a fitting symbol of our American heritage, and as such is incorporated into the spirit of our book.

Since the days when bison roamed the plains, Americans have enjoyed the privilege of living in a free land. Each one of us who enjoys such freedom assumes, in turn, the obligation of being good citizens and guardians of our democracy. Our school life, which is presented here, is a very important instrument in molding the students of today into the American pattern. Our academic courses foster intellectual development, while our athletics encourage physical health, fair play and sportsmanship. Our numerous clubs, publications, and music organizations contribute their share towards our cultural improvement. In our daily contact with classmates and members of the faculty we learn the social requisites of good citizenship. From healthy high school relationships such as these come young adults who recognize and appreciate their American heritage.

DEDICATION

While our American heritage exists for all of us to reach out and take, it is necessary to learn to understand and appreciate our legacy. This year, the staff of HIGHLIGHTS takes great pride in honoring one who has assumed as her responsibility the task of leading young people towards good citizenship and towards a true appreciation of the American heritage which is theirs. Miss Dorothy Dean this year completes her twenty-fifth year as a teacher of American History at Bensenville Community High School. For the last several years Miss Dean has added the position of counselor of junior and senior girls to her crowded agenda. The 1954 edition of HIGHLIGHTS, therefore, is dedicated to Miss Dean in appreciation of her twenty-five years of service to the students of Bensenville Community High School.

In the direction of our efforts toward our individual goals, the faculty plays a most important part. Added to their teaching schedules are the numerous jobs of advising in athletics, in dramatics, in music, in art and in journalism. Their task is that of guiding our abilities so that we may use our heritage to the best advantage.

The Bison Team started the season with three straight victories. But, due to bad luck and injuries that plagued the team through the remainder of the season, the team lost the six remaining games. In spite of all these difficulties there were some compensations. Claude Vondruska and Eugene Benhart made the all conference team. Eugene Benhart also was one of the leading scorers with 30 points. The team was a vast improvement over what was expected of them.

At mid-season, our basketball team had salvaged only two victories while they had come out on the short end of the score in eight contests. An otherwise gloomy season was brightened by the high scoring of Ken Sirotzki who had tallied 128 points in ten games and and Pedro Cuatrecasas, who was not far behind in the scoring department. The final tally might have been very different if the Bisons had been able to secure some height in the starting line-up.

HOMEcoming

The Homecoming of 1953 began with the traditional snake dance through the streets of Bensenville. The afternoon of the sixteenth of October a tremendous parade of many beautiful floats led by the band left B.C.H.S. campus for a tour of the town. In the evening, under the lights, our football team played Glenbrook. Saturday night the weekend was highlighted by the Homecoming dance in the gym. The Homecoming weekend was perfect in every respect and one to be remembered by all.

Bensenville High School is proud of its championship band, and well it might be, for it has evolved from a nucleus of twenty-three members to its present eighty-four.

In 1930 the band entered its first contest, only three years after its founding. Although it didn't win at this time, the first victory came soon after in 1932. Excluding the war years when no contests were held, the band achieved seventeen victories in succession. All this has come to pass under the marvelous direction of Mr. Huffman.

In the last few years a wider interest has been shown in music. Under the fine leadership of Mr. Krueger, we have an outstanding choir. Mr. Krueger is also working on organizing an orchestra and various glee clubs.

Eric:

Best of luck in the future. I'll miss you in baseball next year. I'm sorry you had to spend the last year of school on a club like we have this year, but you did have two years with very good teams.
